### **COVID-19 Statement**

We are here for the community even during this trying time. We are still working to serve our customers' needs. We encourage everyone to use the phone to call in rather than doing business in person. Checks can be dropped off at the office utilizing our mail slot at any time or mailed in. Credit card payments can be processed over the phone by calling 845-446-4539 or 845-446-4500. You can also reach us through email at [cdparryco@gmail.com](mailto:cdparryco@gmail.com). Our office door will remain locked during business hours at this time.

### **Emergency Service**

Please call 845-446-4539 if you experience a mechanical problem with your heating or hot water equipment. We will send someone to your home as long as everyone in the home feels well. We will take extra precautions on our part such as wearing a mask and wearing gloves.

### **Deliveries**

We are still making automatic and will-call deliveries. You will see our truck out on the street. If you are a will-call customer current prices are at a historic low. It is a good time to consider filling your tank.

### **Service Work**

We ARE scheduling new installations and preventive maintenance (PM) work at this time. You can make a request for a PM or a quote by emailing [cdparryco@gmail.com](mailto:cdparryco@gmail.com) or by calling 845-446-4539.
